

To Baltic Sea RAC organisation

I want to have my organisation in the RAC

I represent the small fishing from Kalix to Höganäs

Must of the fishing in the Baltic Sea with net and hook.

We have 85 members

I can speak English and German and I understand Danish and Norwegian and little Finnish.

I have been fishing and observing fishing on the Faeroe Islands, Denmark Norway and Finland

I have been chairman for 3 years now. But I have been active for twenty years.

My father was fisherman so I know all about fisheries. Because of that I want to join the RAC.
