Subject: Presentation of ICES Advice

General Secretary
Dr Gerd Hubold

H. C. Andersens Boulevard 44–46
DK-1553 Copenhagen V
Denmark

Dear RACs,

Having noted that our proposal to make group presentations of the ICES Advice to the RACs would be impractical, we now need to agree dates for the presentations of the advice in the coming months.

Telephone: (45) 33 38 67 00
Telefax: (45) 33 93 42 15
E-mail: info@ices.dk
www.ices.dk

Could the RACs please indicate appropriate times and places for presentations, ICES will do its best to accommodate you. Bear in mind that presentations can only be made after the Advice Release dates.

Direct Dialling:
(45) 33 38 6 + ext.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Poul Degnbol'.
