

JOE BORG

MEMBER OF THE EUROPEAN COMMISSION

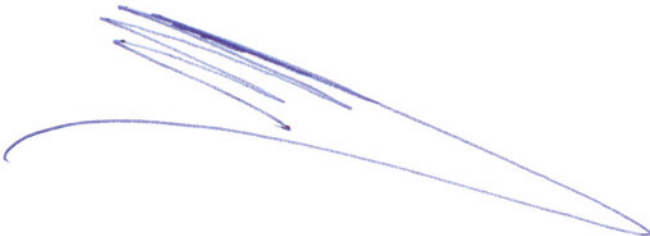

Brussels, 28. 07. 2009
Cab D(2009) 341

Dear Ms Milewska, Dear Mr Johansson,

A public and open debate on the future of the CFP is essential for the success of the reform. I am confident that this event will generate very interesting and constructive input to the consultation process the Commission has initiated in April with the publication of the green book on the CFP reform.

Addressing the conference on the reform of the CFP and the respective challenges for the Baltic Sea and the BS RAC will therefore be my pleasure.

Yours sincerely,

Mr Reine J. Johansson
Chairman of the BS RAC

Mrs Ewa Milewska
Vice-chair of the BS RAC
